## Instructions for completing the Standard Work Day Resolution

A	B
<b>Title</b>	<b>Standard Work Day (Hrs/day)</b>
Accountant	8.00
Clerk	7.00
Bookkeeper	7.50
Data Collector	6.00
Secretary	7.25
Typist	7.50
Custodian	8.00
Laborers	8.00

- A. **Title:** You must establish a standard work day for each employee title (e.g. clerks, bus drivers, etc.) even if you do not have any full-time employees in that title. You may establish several standard work days for different positions. For example, all laborers may have an eight hour standard work day, all clerical workers seven and a half hours, and all elected officials six hours. Employers may also establish several standard work days for the same title, depending if there are significant variances in the job duties.
- B. **Standard Work Day (Hrs/day):** The minimum number of hours that can be established for a standard workday is six, while the maximum is **eight**. A standard workday is the denominator to be used for the days worked calculation; it is not necessarily always the number of hours a person works. For example, if a clerk is only required to work three hours a day, you must still establish a standard workday between six and eight hours as the denominator for their days worked calculation.

Once the Resolution is passed, it must be kept on file by the employer and made available to the Retirement System upon request.
